The site visit to San Francisco has been rescheduled for Monday, December 17th. The program will begin at 8am and conclude between 3pm and 4pm.

The purpose of the visit is to continue discussions with SF's Healthy Streets Operation Center (HSOC) and the City & UHRC to exchange ideas, share best practices, and develop strategies to address the challenges and needs associated with individuals experiencing homelessness. The partnership and engagement with HSOC and UHRC will assist our City and County partners to effectively respond to the challenges of the homeless crisis in Los Angeles. Additional discussions will include: field observations of encampment resolutions, portable hygiene / bathroom locations, street engagement teams, re-entry programming, and meetings with representatives of the San Francisco Mayor's Office and City Attorney's Office.

We will send an itinerary as soon as it has been finalized.

Thanks.

Brian
